

CREATING OPERATIONAL VALUE

About AURELIUS

AURELIUS is a global alternative investor, distinguished and widely recognised for its operational approach. It focuses on private markets, in particular Private Equity and Private Debt. Its key investment platforms include AURELIUS Opportunities V, AURELIUS European Opportunities IV, AUR Portfolio III and AURELIUS Growth Investments (Wachstumskapital). AURELIUS has been growing significantly in recent years, especially expanding its global footprint, and today employs more than 400 professionals in 9 offices spanning Europe and North America.

To date, AURELIUS has completed more than 300 transactions, and has built a strong track record of delivering attractive returns to its investors. Its approach is characterised by its uncompromising focus on operational excellence and an unrivalled ability to efficiently execute highly complex transactions.

Investment focus

AURELIUS focuses on small to mid-sized companies with operational improvement potential, both through equity and debt investments. It targets a range of transaction types, such as carve-outs, platform build-ups or succession solutions as well as bespoke financing solutions through its dedicated investment strategies.

Private Equity Mid-Market Buyout	Private Equity Lower Mid-Market	Private Equity Growth
AURELIUS Opportunities V Corporate Carve-outs Transformational Investments Platform build-ups	AUR Portfolio III Corporate Carve-outs Operational Improvement Platform build-ups	AURELIUS Growth Investments Platform build-ups Succession solutions
Equity tickets up to €200m	Equity tickets up to €25m	Equity tickets up to €25m
Private Debt AURELIUS Finance Company	Real Estate AURELIUS Real Estate	
Debt tickets up to €35m	Equity tickets up to €25m	

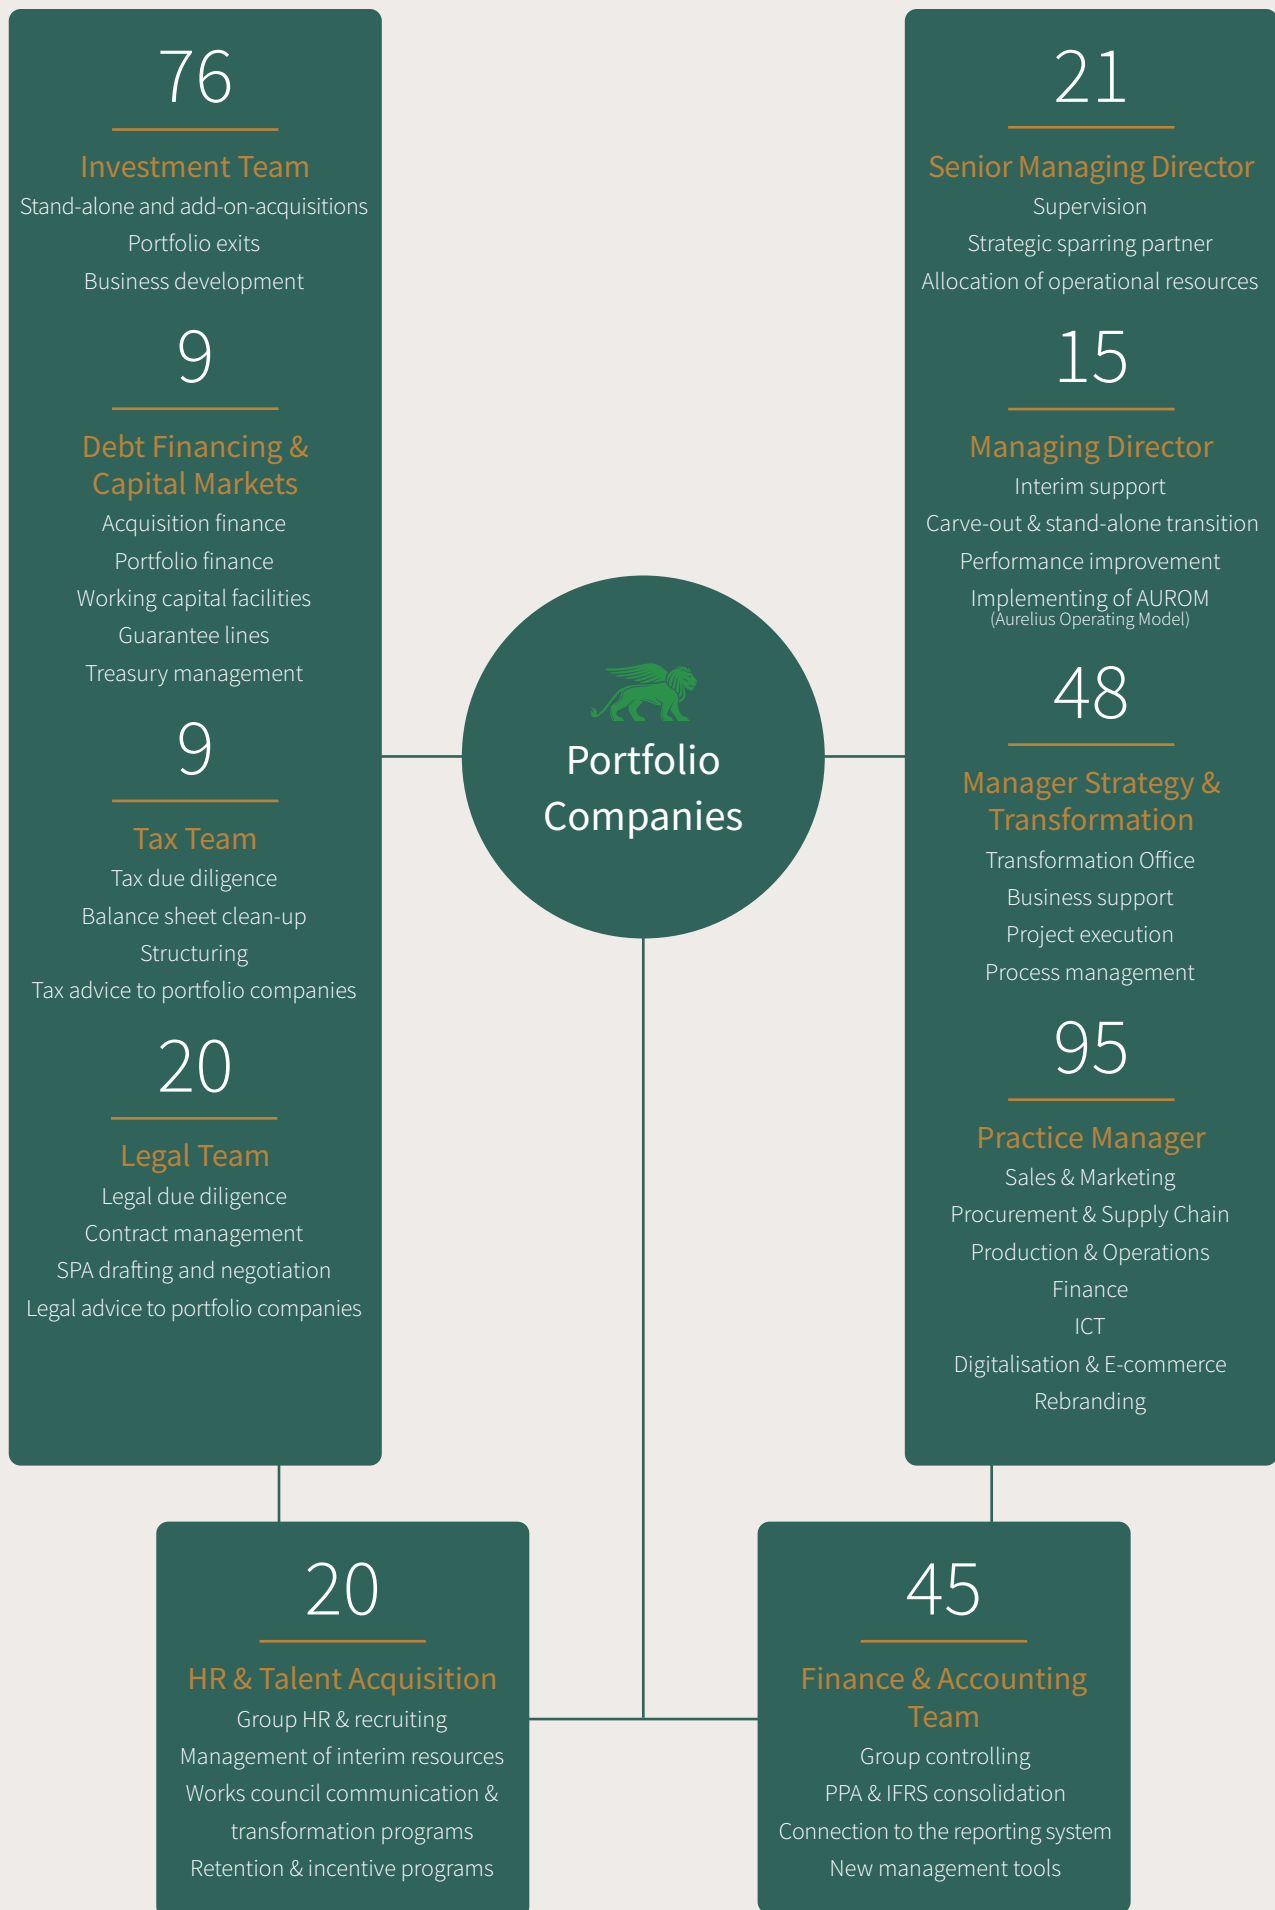

Creating operational value

AURELIUS aims to create value by supporting its portfolio companies with an operational approach to drive growth. To help the companies' management in enhancing their operating performance through operational transformation, specialists of AURELIUS WaterRise (Operations Advisory) are available to support the management teams. The specialists' expertise has proven vital to success in complex situations such as carve-outs or add-on acquisitions, as the resources it brings to bear reduce the complexity typically involved.
